My Competencies

My activities...	Why did I choose it?	What did I learn?	How can I use what i learned in the future?	To whom and how will this competence create value?
My educational activities...				
My work-experience-activities...				
My life-experience-activities...				

My unique competencies

Realize

How are you different?
Write 3 key words!

Recognize your strengths

How can you recognize your differences as strengths?

Handling them

Do you need to handle your strengths differently? How?

Find the people and companies, to whom they are valuable!

Which people and companies could your competencies be valuable to?
